

Understanding the Foveo Live Streaming Process

THE FOUR PHASES OF A REFINED LIVE STREAM EXPERIENCE

Stream Booking

Director: Signs in to foveo.app, adds NoK and Ceremony details, Personalizes broadcast page

Family: Receives guest registration link and sign-in details for Family panel (in foveo.app)

Pre-Stream Preparations

Director: Uploads tribute videos & order of service, manages privacy & access settings

Family: Shares link with family & friends, reviews guest registrations (as desired)

Guests: Register for live stream, receive broadcast link and reminder emails

Live Broadcast

Director: Turns on camera, starts live stream for guests, and ends broadcast at conclusion

Guests: Receive automated email reminder, click on link to attend funeral via live stream

Post Live Stream

Director: Downloads guest list for outreach

Family: Views & downloads recording, reviews guest list, condolence messages & photos shared

Guests: Automatically receive thank you email message with access to view recording
